Help Rotary Help Others!

While this past year has been a challenging one due to the Covid 19 pandemic, the Rotary Club has been busy. It is because of the generous support of our community and business owners such as yourselves that Rotary can be so active both locally and abroad. Here are just a few of the things we accomplished this past year.

- Rotary donated (2x) \$1,500. High School scholarships. One at W.C. Eaket and one at Jeunesse – Nord.
- Spearheaded fundraising and construction for the new Bea Jensen Memorial Gazebo in Sellers Park.

- Donated to the library reading program.
- Donated and distributed 700 gifts in appreciation to local “Frontline” and “Essential” workers.
- Donated Christmas gifts to the Women’s Shelter.
- Supported Rotary International’s goal of eradicating Polio worldwide.

Here is how you can help.

Sponsorship – (\$250.00): A 4’X4” sign located at the various tees around the golf course.

Plus recognition on the Rotary Web site.

Friend – (\$125.00): Purchasing an 8” X 11” Tee Block sign, up for the day of the Tournament.

Please note that ***all 4X4 signs would be erected one week prior to the event and remain for a couple of days following the tournament (a 10-day period)*** so that they are visible to all who play in the tournament as well as to all other golfers during the time that the signs will be on the course.

*If you do not have a 4X4 sign, we have contracted Laird Signs to produce a sign for this event at a special price of **\$212.00**. A Rotarian will contact you to confirm your participation in this worthwhile cause. **Thank you for your past contribution and for your continuing consideration.***

Yours in Rotary,

Robert McAllister
